

II General Assembly

27 January 2023 // Aix Marseille University, France

The Second [CIVIS3i](#) General Assembly, chaired by AMU, will bring together members of our CIVIS research community and external public for governance meetings. The overall theme for the event is **'The First Call for Postdoctoral Fellowships'**, with relevant topics to be addressed in the presentations and an open session foreseen to take place during the event.

The General Assembly is the ultimate decision-making body of the CIVIS3i consortium, informing about the progress of the programme in all its aspects. It includes one representative of each of the four partners: Aix Marseille University, Université libre de Bruxelles, Sapienza Università di Roma, and Universidad Autónoma de Madrid. Representatives from all academic and non-academic partners of the programme as well as the CIVIS research community are invited to participate via videoconference. To register for the videoconference, please use the online registration form on this [link](#).

REGISTRATION

Registration extended until 23 January 2023

Registration form

Registration of participants wishing to attend the videoconference is compulsory. Registration is done via this [form](#).

The meeting's link and instructions will be sent to registered participants by email until two days before the meeting.
