

# Aix-Marseille University

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement N° 101034324.

# Aix-Marseille University in a nutshell

## More information

- EU Grant Unit related information: <https://www.univ-amu.fr/en/public/horizon-europe-programme>
- contact: [nadia.maio@univ-amu.fr](mailto:nadia.maio@univ-amu.fr) and [nicolas.gochgarian@univ-amu.fr](mailto:nicolas.gochgarian@univ-amu.fr)

- **More than 80,000 students**, including 10,000 international students
- **3,400 doctoral students** 39% of whom are from abroad (from 105 countries)
- **A staff of 8,000**, including 4,400 senior lecturers
- **122 research structures**
- **1 City of Innovation and Knowledge (CISAM)**

129<sup>th</sup> in the 2022 Shanghai ranking

### Top 100 in

- Oceanography
- Mathematics
- Physics
- Human Biological Sciences
- Earth Sciences
- Medical Technology

### H2020 Results

- ✓ 250 projects for €157 Million
- ✓ 1<sup>st</sup> French university in the Health H2020 program
- ✓ 2<sup>nd</sup> French university in amount of obtained grants

European Research Council  
Established by the European Commission

47 ERC projects have been funded

# Interdisciplinary Research & Education Institutes & Research environment

# Universidad Autónoma de Madrid

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement N° 101034324.

Founded in 1968

High-quality in education, intensive research, in-depth employability with a firmly social commitment.

### STUDIES AND STUDENTS

**30.560** STUDENTS  
(BACHELOR, MASTER, PHD)

**21.018** UNDERGRADUATE STUDENTS

**2.230** UNDERGRADUATE STUDENTS  
(ASSOCIATED CENTERS)

**3.153** POSTGRADUATE STUDENTS

**4.159** PHD STUDENTS

**671** OUTGOING STUDENTS

**871** INCOMING STUDENTS

**4.602** GRADUATED  
(BACHELOR'S DEGREE)<sup>1</sup>

**1.961** GRADUATED  
(MASTER'S DEGREE)

Close collaboration with Spanish National Research Council (CSIC)

International Excellence Campus UAM-CSIC alliance with Science and Technology Park

Madrid Institute of advanced research (IMDEAs) of Nanoscience, Food, and Social Science

Community of Madrid, City Councils, Companies.

Institutes of Sanitary Research

## ▪ A COMPREHENSIVE UNIVERSITY

30 000  
Students

17  
Faculties, Schools  
and Institutes

40  
Bachelor's programmes

150  
Master's programmes

## ▪ 3 MISSIONS :

- ✓ Pursuit of excellence
- ✓ Quality education open to all
- ✓ Strong social commitment

## ▪ AN INTERNATIONAL UNIVERSITY

- ✓ International collaborations in teaching and research
- ✓ International partnerships
- ✓ International networks

of international academic and  
research staff

of international students
